

## Hospital Report Shows Gain In Year's Operation

Favorable Report is Issued By Auditors For Past Year

The first annual audit of the Tahoe Forest Hospital operations shows that institution to be in a healthy financial condition and as a result of the successful year it has been possible to reduce the tax rate from 13 cents to 10 cents for maintenance and operation.

While the audit shows a loss of \$10,226.10 for the year, provision had been made for a depreciation of \$11,507. By subtracting the depreciation from the actual income, a gain of more than \$1200 would be shown.

The net revenue from hospital operations was \$86,513.81, while \$16,758.10 was paid into the district from taxes and a \$100 donation brought the total revenue to \$103,271.91.

Operating expenses totaled \$112,988.31, the major portion of which went to salaries and wages, this item being for \$54,635.53. Of this total, \$12,237.34 was charged against administrative and office expense, while medical, surgical, radiology, pharmacy and other salaries amounted to \$32,841.43.

Other costs listed in the report, submitted to the board of directors by Thompson, Dechow, Garcia and Reieh, certified public accountants of Oakland, were dietary \$6,602.43; maintenance \$2,954.33; supplies and expenses \$2,079.27; insurance \$3,157.43; household and property \$5,699.90.

The total assets of the hospital were listed in the audit at \$426,765.54, which includes the building valued at \$283,185.26; land and improvements \$17,221.47; major movable equipment \$24,778.40 and minor equipment \$13,513.74.

A full report will be published in the Sierra Sun next week.

## RAIN EASES FIRE HAZARD IN LOCAL FOREST DISTRICT

The rain storm Saturday and Sunday brought .62 of an inch of welcomed rain to this area, dampening the powder dry forests and temporarily eliminating dangers from fire. A light fall of snow was reported on the higher peaks but was soon gone as the warm sun came out.

Forest service officials warned that the rain did not permanently eliminate fire dangers and issued a warning for campers and others to use caution.

## HUGH WEINANDS HAVE DAUGHTER

Mr. and Mrs. Hugh Weinand of Truckee welcomed a daughter at Tahoe Forest Hospital on Friday, August 28. Debra Lynn were the given names chosen for the little girl. Dr. George Hahn was the attending physician.

## LOCAL COUPLES SEEK LICENSES

Among Reno marriage licenses issued during the past week was one to Frank T. Smith of Truckee and Paula H. Greiner, San Francisco. Also securing a Reno marriage license during the week were L. E. McLarrin and Evelyn F. Story, both giving their address as "Lake Tahoe, Calif."

## HAZEL ROBERTS LEAVES TRUCKEE

Mrs. Hazel Roberts, active in civic and lodge affairs here for a number of years, has written from her home in North San Juan that she will have to make her permanent home there, due to ill health. Mrs. Roberts until recently was also employed as a fire lookout for the forest service during the summer months. She has many friends here who are hopeful that the change will be beneficial.

## SCHOOLS REOPEN HERE TUESDAY

All schools in the Tahoe-Truckee unified school district will resume classes for the first 1953-54 semester Tuesday morning. The teachers' workshop was completed last week and school officials have been busy the past several days getting facilities in shape for the opening day.

Registrations in most schools of the district are expected to exceed those of last year.

## Buy Ray House—

Mr. and Mrs. A. P. Stokes of Loomis recently bought the Truckee River home of Mrs. C. H. Ray which they are now occupying. Mrs. Ray is building a small house in the same vicinity.

## Film Preview At Truckee Theater Sunday, Monday

Truckee theater goes on in for a rare treat Sunday and Monday when the world premiere of "Island in the Sky," starring John Wayne, will be exhibited by Manager Vern Shattuck at the Donner Theater.

The epic of the northland was filmed here last winter and is just being released by Warner Brothers.

The film is being shown at the Tahoe Theater in Kings Beach through Saturday, Shattuck said. It will not be seen in New York until Labor Day, giving local fans a real first in entertainment.

## FIRE DAMAGE AT LOCAL STORE AS FURNACE BLAMED

A fire originating in the fire box and motor of a basement furnace brought out the Truckee Volunteer Fire Department for the second time this year last Saturday night about 11 o'clock. The fire was confined to the furnace area in the Smith Apartment building on Commercial Row, although smoke filled the apartments, nearby businesses and caused considerable damage in Jim Walker's Toggery in the Smith building.

The fire suppression crew of the local forest service ranger station responded to help the volunteers.

## AWARD CONTRACT FOR BROCKWAY'S 'PHONE BUILDING

Howard J. Newsham, manager for the Pacific Telephone and Telegraph Company in Truckee and Lake Tahoe, announced today that a contract has been awarded to A. J. Hooper Inc. of Oakland to build a dial central office at Brockway for \$97,000. The job must be completed by the end of this year.

Newsham said subscribers in the Brockway exchange area will have dial service about the middle of next year, barring unforeseen developments.

The local manager said that the number of telephones in the area has increased from 300 in 1945 to 1075 this year.

The new building will be of frame and stucco construction 25 by 27 feet.

## PATROL PLANS TO KEEP ROADS SAFE DURING HOLIDAY

SACRAMENTO —(C. N. S.)— Plans of the California highway patrol to keep motorists "alive and healthy" over the Labor Day week end were announced Tuesday by Patrol Commissioner B. R. Caldwell.

"Plans have been completed to use every available officer of the patrol for highway traffic enforcement," Caldwell said.

The commissioners said the patrol will conduct a series of traffic checks in certain areas. "Special attention will be given to drivers and automobiles found in unfit condition to operate," he added. "We'll also keep a careful watch for speeders."

Caldwell continued: "Over the Labor Day holiday last year 42 persons were killed on California streets and highways. In addition, 746 others were seriously injured, some hopelessly crippled, in collisions. The accidents which caused these deaths and injuries occurred at the rate of one each eleven minutes of the three-day holiday."

"The best practice, if you plan a holiday highway trip, is to allow yourself plenty of time for the distance you intend to travel. If you can't do this, shorten the trip. Control your speed once you're underway, and concentrate on your driving all the time."

## In City—

## Hearing Date Is Set For Local Annexation Plan

### Board Sets September 16 For Fire District Hearing

The Nevada County board of supervisors set Wednesday, September 16, as the date for a hearing on the petition of property owners of the area west of Truckee for annexation to the Truckee Fire District.

The district, contiguous to the fire district, is an area roughly three miles long and a mile wide on both sides of Highway 40 from the east approach to Donner monument.

Anyone interested in the annexation may appear before the supervisors at 2 p.m. on the date of the hearing to enter any protest or support they desire.

For years, residents of the area at Gateway and Meadow Park have sought inclusion in the district but the action of the board marks the first real step toward annexation. The Truckee fire commissioners have approved the addition unanimously.

It is hoped by the commissioners that a uniform fire protection system can be established throughout the district in the near future. A recent ruling makes it impossible for fire equipment to leave the district and this left the thickly populated area outside the district without local protection with the exception of that provided normally by the forest service.

It has not been determined how the annexation will effect fire insurance rates but it is believed by proponents of the plan that in the future the savings in rates will offset the taxes required by the district.

## KINGS BEACH HAS HIGH TAX MARK IN PLACER COUNTY

The highest tax rate for any unincorporated area in Placer County is at Kings Beach and the lowest in the county is at Emigrant Gap. This was shown in the figures compiled by County Auditor William R. Stephens. The city of Roseville, with a rate of \$6.14, is the highest in the county.

The rate for the area within the North Tahoe Public Utility District at Kings Beach will be \$5.95 per \$100 assessed valuation, while the lowest rate at Emigrant Gap is \$3.28.

The North Tahoe utility district tax is \$1.90, while the unified school tax is \$1.55; bonds and interest, 74 cents; general county, \$1.62 and hospital, 10 cents.

## COMMITTEE ASKS AID FOR ROCKING STONE TOWER JOB

The present hazardous condition of the tottering rocking stone tower, located on Nevada County property here, was discussed at the meeting of the board of supervisors at Nevada City on Tuesday when Orval Vaughan, Johnny Ciardella and Rev. Sidney Winston attended the session as representatives of the Truckee Chamber of Commerce.

Charles Heller, in the county seat on other business, also talked on the subject.

Rev. Winston said they learned there are no funds available until possibly next year for the restoration of the landmark. The board also discussed the subject of insurance on the property.

## CUBS CELEBRATE MEMBER'S BIRTH

Members of Cub Scout Den No. 2 met at the home of Mr. and Mrs. Robert Leamon Tuesday to celebrate the 9th birthday of their son, Barry. The boys played games before the honoree opened gifts and cut the chocolate cake which was served with other refreshments at the close of the afternoon.

Mrs. James Walker assisted Mrs. Leamon.

## Sun Beams

by WALTER BARRETT

Schools throughout the Tahoe-Truckee Unified District will open next Tuesday and a new traffic situation is involved. Motorists are urged to adhere strictly to the laws governing speed when traveling near schools and playgrounds and when passing school buses. Children are inclined to be careless and usually have their thoughts on anything except the dangers of running in front of cars or walking on streets. It is up to the driver to do the thinking in these instances.

The financial report on the past year's operation of the Tahoe Forest Hospital was most encouraging and once again reflects the value of the institution in the district. Few, if any, similar institutions can show much marked progress for so short a period, and while we do not believe the prime purpose of our hospital is to make money, it is nice to know that the taxes can be reduced and that the future looks bright. It has always been our contention that, even though money is lost through the operation of the hospital, its need is vital and its purpose is to render a humanitarian service, disregarding costs.

The recent rains in the region—followed by the usual warm fall weather—should not lull anyone into a belief that the danger of forest fires is past. The hot sun dries the forests and underbrush, and care must continue to be practiced. This district has been particularly fortunate in its fires for the season up to date, and a new record can be established if everyone in the forest continues to be extremely careful.

## NEW TRIAL FOR LAKE LITIGANTS DENIED IN COURT

AUBURN—Superior Judge Ralph McGee of Amador County, sitting in Placer County in place of Judge Lowell Sparks, denied a plaintiff's motion for a new trial in a property dispute between Otis D. Babcock, Sacramento attorney, and Mr. and Mrs. Joe King of Kings Beach, Lake Tahoe.

Babcock said the case will be appealed.

Judge McGee, who heard the case last spring, had awarded the defendants \$2,741.67 and had canceled a disputed lease on north Lake Tahoe property.

The dispute resulted from the refusal of Placer County supervisors to relinquish title to a public road through the property, thereby creating a cloud on the title after the Kings agreed to lease the site to Babcock for a long period.

The case was tried twice, after motion for a new trial was granted following the first trial.

## MOREY DISCUSSES QUARANTINE FOR TRUCKEE LIONS

Daven Morey of the Truckee state quarantine station spoke before the Lions Club last night, giving an interesting talk in which he cited facts and figures of the work being carried on at the station, as well as throughout the state by the department. He illustrated the talk with interesting stories about incidents which have occurred during the years at various stations.

Guests were Lion Nello Baldocchi of Antioch; Fred Dolley, father of N. F. Dolley; William Curran of Truckee and E. Johnson of Sacramento.

Next Sunday the Truckee Lions Club will entertain the Arch Lions Club of Reno in a softball game at the local diamond at 10 a.m., followed by a picnic at the west end of Donner Lake.

On Sunday, September 27, the local club will hold its annual golf tournament at the Tahoe City golf course.

## Move to Reno—

The K. G. Drendle family has moved to Reno.

## Girls Sought By Valley Officers Were In Truckee

### Missing Juveniles Found In Reno, Returned To Homes

The story of the two missing Carmichael girls which has gained wide publicity throughout northern California has a very important local angle. This was revealed after the two, Jeane Sanfelice, 14, and Rosalie Lewis, 15, were turned over to Father Robert Despars, head of the Catholic Welfare bureau at Reno Monday evening and later returned to their homes by their fathers, Bernard Sanfelice, and Ken S. Lewis, Carmichael postmaster, who went to Reno after them, following a call from Father Despars informing them of the girls' whereabouts.

The girls left their home community last Thursday in company of three men in a green convertible bearing Arizona license plates. They were told the men were going to a picnic at Mormon Island and they purchased two cases of beer. A third girl declined to join the "picnic" and was taken to her home by the driver.

A widespread search was started when the two girls failed to show up at their home.

During the weekend, two girls answering the description of those sought were seen in Truckee, apparently without an escort. Witnesses say they saw the pair here as early as Friday night, although this was not confirmed.

Monday they hitchhiked to Reno and the driver of the car, suspecting them to be runaway juveniles, took the two to the welfare bureau where they were questioned and turned over to the Dominican Sisters who fed and cared for them until their fathers arrived.

Stories originating in Sacramento that the pair were cared for in a Truckee home and that an anonymous telephone call brought the fathers here were branded as false.

## WYETHIA BOOTH AT STATE FAIR STRESSES SAFETY

A booth sponsored by the Wyethia Club of Truckee and the Federated Women's Clubs of the northern district, displaying traffic safety posters and booklets may be seen at the California State Fair being held at Sacramento this week.

Mrs. Fred Pedley plans to be in the booth during weekends and other members of the represented clubs will also be hostesses at the display.

## ROBT. BRIGGS TO ADDRESS WOMEN

The Wyethia Club will convene tomorrow evening at 8 p.m. when Robert Briggs will speak on art in the schools and lead a discussion on the subject.

Mrs. Ray McCarty will tell of a trip to Mexico and show articles from the land to the south. Hostesses for the evening include Mrs. McCarty, Mrs. Ed Trask, Mrs. John Finnegan, Mrs. Fred Pedley will preside during the business session.

## WASHOUT DELAYS S.P. RAIL TRAFFIC

Both tracks of the Southern Pacific were washed out Monday afternoon when a Sierra Pacific Company flume above the rails broke permitting the water to flood under the tracks at Fleisch.

The washout was about 25 feet long and undermined the tracks to such an extent that all traffic over the east and west lines of the railroad was discontinued until repairs were made.

The damage was caused at 2 p.m. and traffic was resumed late that evening.

## HOURS CHANGED

Rose Brothers Market here announces that the new store hours will be from 8 a.m. until 9 p.m. instead of from 7 a.m. to 10 p.m. as during the summer months.

## Investigation Of Death Of Train Victim Continues

An investigation was being continued this week into the death of Albert Angus MacDonald, 45, of Oakland, whose body was found on a westbound Southern Pacific track a mile east of Truckee last Wednesday night.

Constable N. F. Dolley said all circumstances in the case have not been cleared up. For one thing, he said, MacDonald had a ticket stub in his pocket indicating that on the day he was killed he had purchased a ticket at New-castle for Colfax. How the victim wound up east of Truckee on the westbound track the same day is puzzling.

If, by any chance, the man was thrown off a train, robbery was not involved as he had \$140 in his pockets.

The victim was well known throughout this area, having been raised in the North San Juan district of Nevada County and employed at various jobs throughout Placer and Nevada Counties for many years. He was not married but has relatives in the Auburn and Grass Valley districts.

A newspaper clipping in his possessions revealed that he had narrowly escaped death when struck by a train several years ago at Elko, Nevada. Sheriff Charles Ward of Placer County and Sheriff Wayne Brown of Nevada County are cooperating in the investigation.

## PLANNING BOARD MAY BE CHANGED BY SUPERVISORS

NEVADA CITY—The possibility arose this week that the Nevada County planning commission may be reorganized.

Made up of citizens appointed by the board of supervisors, working without pay, the nine-member commission in years past has met only when its approval was needed for subdivision maps or similar projects. Within the past few months, however, the supervisors decided to broaden the commission's work, and to that end increased its budget and decided to employ a part-time planning consultant, A. T. Parsons of Town Talk.

The commission itself decided to hold meetings once each month. However, not enough members turned up to make a quorum for the July or August meetings. Although Parsons had drafted a report of his work thus far, he could not present it because only three members were present at the August meeting.

## EXAMS FOR CLERK AT LOCAL OFFICE

Postmaster E. C. Bavier of Truckee this week called attention to the U.S. Civil Service announcement of possible employment at the local post office as a substitute clerk carrier. Applicants must actually be bona fide patrons of the post office, the announcement says. Competitors will be notified when and where the written test will be held.

Initial basic pay is \$1.61½, with increases possible to \$2.01 for substitutes. For regular employees, basic salaries range upward from \$3270 to \$4370 annually. Duties may consist of handling heavy sacks of mail, sorting and distributing mail.

Further information as to qualifications and examination forms may be secured at the local post office or from the 12th U.S. Civil Service Region, Room 128, Appraisers Building, 630 Sansome St., San Francisco 11, California.

## JUDY MCGWINN IS PARTY HONOREE

Mrs. Doyle McGwinn was hostess Saturday, August 29, to several small friends of their daughter, Judy, on her sixth birthday. A birthday cake was served after the little girl had opened her presents and games were enjoyed by all attending.

## Al Fresco Supper—

Mr. and Mrs. Robert Saunders will be hosts at an out-of-doors party this evening for employees of the Bank of America here at their home in Gateway Park.

## Three Killed As Auto Fatalities Set new Record

### Kings Beach Carpenter Is Latest Victim In Accidents

Three people died as the result of automobile accidents in this immediate area during the past week, bringing the total fatalities for the past 30 days to eight.

George D. Olson, 33, a Kings Beach carpenter, was killed outright at 7:30 o'clock Wednesday morning when his car got out of control half a mile south of Squaw Valley road of Highway 89, skidded more than 200 feet and overturned.

Olson, who had been employed by Paul Avery, was apparently traveling at a high rate of speed, hit an embankment and lost control of his car. Patrolman T. F. Sheehan made the investigation and the body was taken to Tahoe City to await arrival of Coroner Francis West of Placer County.

So far as known locally, he leaves no immediate relatives.

**Over Grade**  
Mrs. Margie Lorraine Reinhardt, 42, Auburn, was killed instantly Sunday morning at 4:20 o'clock and Mrs. Josephine Walters, 45, Coachella, died Tuesday night as the result of an accident on Donner grade when a car driven by Eddie Mullens, 35, Eureka, plunged 125 feet off the highway at Big Blast.

John LaRue, 46, Colfax, is in a critical condition at the Tahoe Forest Hospital as the result of injuries received in the mishap. Five others, including three hitchhiking discharged soldiers from Utah, L. C. Butterfield, James D. Andrus and Ray Pherson, were injured. Mullens escaped with minor injury and Madeline McCoy, 33, Coachella, was also treated for minor hurts.

The injured were taken to the Tahoe Forest Hospital by the Truckee ambulances and the bodies of the victims were taken to the Truckee Colonial Mortuary, that of Mrs. Reinhardt being shipped to her former home at San Diego and that of Mrs. Walters to Coachella.

Patrolmen William Gautsche, Martin Sturcke and Frank Smith investigated.

The three soldiers were picked up at Soda Springs only two or three miles from the crash.

The car was registered to Mrs. Velma Stone, Selah, Wash., mother of Madeline McCoy.

## Rear End Crash

John J. Butler and Helena Butler of San Francisco were hurt when the rear of their car was struck by one driven by T. Penso-neau, Grass Valley, near Rainbow Tuesday morning. The latter was cited for driving too close by Patrolman Gautsche.

## Driver Cited

Mildred Juanita Carter, Truckee, was cited for reckless driving after her car left the highway a mile west of Verdi Monday and plunged down an embankment. Officers said Mrs. Carter applied the brakes suddenly and the car went out of control. She was not seriously injured.

## Young Girl Hurt

Grace Geisendorfer, 10, suffered minor injuries when a car driven by Angelina Geisendorfer, Hanford, overturned near the foot of Donner grade Saturday. The little girl was treated at the Tahoe Forest Hospital and released.

State Patrolman Sturcke cited the driver for not having her car under control.

## LOGGING TRUCKS CITED FOR HEAVY LOADS AT TAHOE

State highway patrol officers working in the Tahoe area this week cited six logging truck drivers for overloads totaling 30,700 pounds.

Cited to appear before Judge Harry Charrison at Tahoe City are Alton Jack of Reno, charged with having two overloads totaling 8800 pounds; Elroy Clayton, Truckee, 2085 pounds overload; Robert W. Greer, Tahoe Pines, 4400 pounds overload; Malcolm Graham, Sacramento, 5200 pounds over the legal limit.

The special checks were made by patrolmen assigned to the northwest area of Tahoe.

## Babe's Birthdate—

Tommy, son of Mr. and Mrs. Tom Borneman, celebrated his second birthday with a family party, when gifts and special refreshments were served.

## Granddaughter to Wed—

Mr. and Mrs. A. Benjamin left by airplane on Tuesday for Tarpon Springs, Fla., to attend the wedding of their granddaughter, Claudette Benjamin. The ceremony will be performed September 6 and the local couple will immediately return by the air route.

## NOTICE

IS HEREBY GIVEN that there has been heretofore filed a petition for the inclusion within the Truckee Fire District certain real property contiguous thereto, and that Wednesday the 16th day of September, 1953 at 2:00 o'clock P.M., in the chambers of the Board of Supervisors in the Court House, Nevada City, California has been fixed as the time and place for hearing the said petition and determining whether or not it is for the best interest of the District, and said contiguous property, that the same be included in said district. Any person interested may appear at said time and place and be heard.

## TAHOE GOLD CUP EXPECTED TO SET NEW WORLD MARK

TAHOE CITY— Fifty Rotarians, including 24 visitors, attended the Tahoe City Rotary Club meeting held in Tahoe Inn Tuesday. Howard Guth presided and Denis Sach was program chairman.

Fred Main, president of the Lake Tahoe-Sierra Chamber of Commerce, gave a graphic word picture on the Lake Tahoe gold cup boat races to be held September 12 and 13. He said that there is a world-record entry list, surpassing those held at Detroit or Seattle, and seven of the world's fastest drivers will contend for the Charles Mapes \$5,000 gold cup. (ejv)

## BOAT BUILDING FIRM TO LEAVE LAKE BY OCT. 1

TAHOE CITY— Announcement is made here this week that the Lake Tahoe Marine Supply Company will close up shop at their present Carnelian Bay location and move to a new site on Highway 101 near San Rafael.

Gilbert Ballard, owner and operator of the Lake Tahoe Marine Supply Company, has already leased suitable property at San Rafael and this week the first load of lumber from Tahoe was moved to the new location by Assistant Manager Harold Stark of Tahoe City, whose wife, Mary, is bookkeeper for the navy department, at the shop.

The firm started operation here in October, 1952, and supplied approximately 30 persons with employment all the year around on the government contract which called for 18 forty foot utility boats for the navy—which will be made at San Rafael—and 12 thirty-three foot utility boats, all of which will have been completed and delivered by mid-September. Four of the hulls for the 40-footers have been started here and these can be laid sideways and transport-

Of the 30 employees who have been engaged here, approximately 15 of these families have expressed a willingness to leave Tahoe for the new location to continue their work. Ballard, now at San Rafael, may retain his home at Brockway Hill where his wife and son, Carol, will remain so that the boy may continue his studies at the Tahoe-Truckee unified high school for the next two years, Ballard visiting them weekends.

The shop at Carnelian Bay is scheduled to close on October 1 and the new plant at San Rafael will open at about the same date. It is widely regretted that one of Tahoe's principal sources of all-year around employment is departing. (es)

Vi and Martin Grover of Sacramento were up for the weekend and fished Prosser Creek. They had good luck, though the stream was getting low and they had to "sneak up" on the trout.

# BISHOP IS BUSY SUNDAY, SEVERAL ARE CONFIRMED

TAHOE CITY— Bishop Noel Porter announced a drop in attendance at the Outdoor Chapel last

Sunday, due to inclement weather. Bishop Porter's sermon theme was "The Book at Your Elbow." Peter Gibson was guest organist and Mrs. Frances Carlson of Pineland was vocal soloist. Next week Mr. and Mrs. Marsden Argall of Oakland will furnish the music and singing at the 11 o'clock service.

The bishop has announced that all contributions received at the chapel Sunday, September 6, will be donated to the Tahoe City emergency ambulance fund being raised by the Tahoe City Volunteer Fire Department.

Following services last Sunday, Bishop Porter baptized the 15-month-old daughter of the Jack Starratts of Tahoe City. She is Sarah Lee Starratt and her godparents are Mr. and Mrs. Ray Felows of Carnelian Bay.

The bishop also confirmed 11 people Sunday. There were Mrs. Frank Kraus and sons, Frank Jr. and Marshall and daughter, Georgia, of Tahoe Pines; Arthur George of San Francisco and Brockway, his children, Robert and Nancy; Mrs. Virginia Zinn and daughter, Linda, Tahoe Pines; Horace P. Dewey of Sacramento and Betsy Greenlee, daughter of the Frederick Greenlees of Piedmont and granddaughter of the Edwin Letts Olivers of Sunnyside. (es)

## Secretary Of Labor Stresses Man's Worth

By MARTIN P. DURKIN, Secretary of Labor.

LABOR DAY is an expression of American freedom and American progress.

It was created seventy-one years ago by a group of trade unionists seeking to give labor its true dignity. Their efforts succeeded. Labor Day has become a holiday of all the people, and an accepted symbol of the spirit of free working men and women.

American free labor has grown along with the American nation and its people, and it has used its strength to help the cause of freedom around the world.

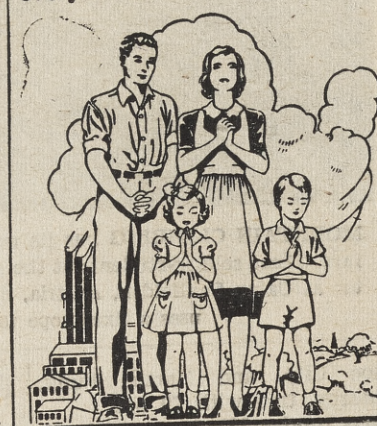

On this first Monday in September, 1953's Labor Day, it is fitting and proper that American working people, those in white collars as well as those in overalls, extend again their thoughts and their greetings and well-wishes, to their brother workers in foreign lands.

OUR MESSAGE to the workers in free lands is one of fellowship. We are joined to oppose the ugly spectres of dictatorship and communism. Through our government, our churches, our labor unions, and other organizations, we have offered our help in the cold war that is being waged over the world for the minds and souls as well as the bodies of men and women.

For the oppressed workers behind the Iron Curtain, American workers send a message of hope and sympathy. Six thousand years of history have proved that no suppression, no oppression, can kill the desire of men and women for freedom and dignity, the yearning to build a better world for their children. We in America pray, and we know and we believe, that the workers in foreign

lands will fight on as we have for freedom and progress, and that eventually they will win.

THE WORKERS of East Germany and of Czechoslovakia have struck out against the despots seeking to enslave them, in the world's most recent examples of man's long struggle for freedom. The June graves of their martyrs are already hallowed shrines in the minds of freedom-loving people everywhere.

On this Labor Day in America, we will pray for labor's strength and progress everywhere. We are firm in the knowledge and belief that if men and women are free they will work unceasingly to improve their lives and their homes, and to create a better future for their children.

WE WILL MAKE these prayers for ourselves and our children, and for the workers and the children of the free world and the slave world, in the firm conviction that the good in man is bound to triumph over evil deeds and devilish thoughts.

† Paulist Feature Service, Washington 27, D. C.

## VETERANS FROM HOSPITAL GUESTS

TAHOE CITY— Twelve patients from the Reno Veterans Hospital were served luncheon on the sun porch of Sunnyside Lodge one day last week, with ladies of the Women's Club of Tahoe serving as hostesses. J. R. Sears, owner of the lodge, gave the visitors a speedboat ride and explained the points of interest along the shore. The water was "choppy" but the ride was enjoyed by the men, who had been hospitalized for several months.

Those present were Wm. Pascal, Butcher Hood, E. Herold, H. Tubbs, W. Phoenix, J. Packard, N. C. Gould, B. Brooks, S. Thomas, P. Thomas, Harold Lloyd and Marshall Jones; Gene Hayden, recreation assistant; Ed Cardinal, recreation director; ladies from the

AWVS, Miss Phyllis Walsh, Mrs. Green and Mrs. Leslie.

## TAHOE TOPICS

by ETHEL J. VERNON

Just before last week's period of unsettled weather, a motor trip by way of the North Tahoe highway into Nevada proved highly instructive as well as enjoyable. All around the north end, the sand beaches were alive with picnickers and bathers. On the way down the winding Clear Creek Canyon highway the motoring traffic was as steady as ever. A visit to the Stewart Indian School in Carson Valley was interesting, with its lawn and tree-bordered streets between rows of beautiful buildings, built of painted rocks by the resident Indians. A few miles south along Highway 395 a side road leads to the right to the foot of the Sierra Nevada and old Genoa,

first town in Nevada. Here the points of historic interest are still numerous, in spite of the fact that the main part of the old town was destroyed by fire in 1942. Many graves of noted pioneers in the old cemetery are dated back to Nevada's beginning. Among the earlier memorials is the gravestone of Snowshoe Thompson, with his crossed skis on his head stone, which gives his age as 49.

Part of the old stockade still stands where the first building in the town, Genoa Fort, burned several years ago. A replica of the log fort, built in recent years, houses a museum filled with relics of pioneer days. The curator of the museum, Mrs. Margaret Scott, exhibits numerous antiques, old art pieces, photographs, ancient literary works and letters, and gives

lectures on them.

In Tahoe Tavern's amateur contest last Thursday, nine-year-old Carolyn Henry, daughter of Dr. and Mrs. William Henry, was once more on the honor roll. Her winning number was the "Laughing Song" by Johann Strauss. Answering an encore, Carolyn sang "Make Believe."

Harold Brixey, Tahoe City's young golfing champion, returned from an invitation meet in Reno last Friday just in time to get in on the honors in the home town meet. The head instructor of the Reno golf course, Peter Marich, called for young Brixey here during the mid-week and drove him back to his home here for the weekend.

Mrs. Edgar Sinton, daughter of Mrs. John Walter, who spent most of the summer at the Walter home "Rampart" on the Truckee River, left this week for her winter home in San Francisco.

Jay Murphy's new speedboat, the "Breathless," is reported under preparation this week for entry in the Gold Cup races which are to be held in waters off the

Tahoe City Commons on September 12 and 13. Fred Main, commodore of the Coast Guard Auxiliary, reports that several entries are coming in daily now. He says that reservations for lodgings are also pouring in from all points throughout the west and that 65 were received in a single day last week. Main indicated that arrangements will be made for dividing the visitors at that time among the hotels and other lodging places at various points along the lakeshore.

Mrs. John Burns of Auburn, former Tahoe resident, was a visitor in Tahoe City last Thursday. She drove up with Miss Jane Cotton, Placer County librarian, when the latter visited the Tahoe City branch library.

## TAXPAYER HEAD SEES COSTS OF SCHOOLS RISING

**KINGS BEACH**—Placer County taxpayers must pay out more money to their various school districts this year than last, notwithstanding new and increased amounts of state funds made available under a state constitutional amendment (Proposition 2), passed by the voters last year. T. L. James of Kings Beach, president of the Placer County Taxpayers Association, pointed out, commenting on the new school budgets.

"Last year, Placer County school

ed the vacant lot adjoining his home from Alice Gebhardt, also of Tahoe City.

Mr. and Mrs. Jack Starratt of Tahoe City plan to leave on an extended vacation in the valley and coast localities right after Labor Day. They will drive first to Lincoln, where they will leave their two young daughters with the maternal grandparents, Mr. and Mrs. Richard Lee. From there they plan to drive to Carmel.

Mrs. Lillian Farr, daughter of Mr. and Mrs. C. W. Vernon, who spent the summer here as manager of the Tahoe Novelty Shoppe, left on the weekend for her home in Oakland to be on hand for attending teachers' institute this week. Mrs. Farr has previously contracted to teach through the coming term at one of the new schools recently built in the Concord-Walnut Creek district. Her husband, Harold Farr, will remain here to take her place in the business through September.

Mr. and Mrs. Joe Brito of Auburn were visitors in Tahoe City during the past weekend. Mrs. Brito is the former Darlene Perry, daughter of Mrs. Grace Schick of Tahoe Inn.

districts received \$1,369,748 in state funds," said James. "This year, they will receive much more, since each school district will get at least \$120 per pupil in A.D.A., compared with \$90 before, and individual school districts may get even more than that. Therefore, we should expect the school tax bill of county taxpayers to be correspondingly reduced, and so relieve them of part of their burden," James declared.

"However, we find instead that the total approved budget for all Placer County school districts is \$402,610 more than last year, including various balances held over, and the amount to be raised by local property taxes has risen from \$1,478,631 in 1952-53 to \$1,503,698 in 1953-54, or an increase of \$25,065. There is no relief for the taxpayer there," James concluded. Pointing out that Placer County elementary schools have 31 bond issues already voted at various rates of interest, beside four high school and one unified school district bond issues, James said there are six new school bond issues, all voted last year, on which taxpayers must pay interest.

## Swanee's Letter

Tahoe City, August 30  
Dear Tahoeites:  
Last night (Saturday) and today Tahoe had its first real rain storm of the late summer season, with snow deposited on Mount Rose, Rubicon Peak and other high mountains around the lake. Art Frodenberg tells me that .52 of an inch fell during the night Saturday and today more precipitation arrived.

In answer to by query regarding the alleviating of forest fire danger due to the rainfall, a local forest service official declared that the rain would most likely increase the potential danger of fires because of the popular but erroneous belief that danger no

longer exists. He urged continued caution when in forest areas.  
Only last week Leo Schalich of Santa Rosa was arrested by Clarence Beavers, forest service officer at the William Kent station, for smoking in the forested region near the river at Squaw Valley. Brought before District Judge Harry Charrison at Tahoe City, Schalich pleaded guilty and was fined \$100. Forest service officials declare that smokers are the major cause of all forest fires and every year shows more fires occur after September 1 than at any other time.

Have a letter from Miss Jane C. Cotton, Placer County librarian, of Auburn who visited the Tahoe City branch of the free public library (the Julia Becholdt Memorial Library) last Thursday, brining along 100 books for the local shelves. She gives library hours the same as last year, Monday, Tuesday, Thursday and Friday from 1 to 4 p.m. and Wednesday from 7 to 9 p.m. Mrs. Mildred Hahn is replacing Mrs. Leonora Bartell during the latter's visit in Sacramento. While Miss Cotton hesitated to give registration figures, because of the variation caused by summer visitors, she did declare that July was one of the busiest months the local branch has had. She plans to visit Tahoe's branch again in September, bringing an additional 100 volumes, and declares that during the winter months books will be sent from Auburn headquarters to the Tahoe City branch on a monthly basis.

Had a cheery note from Mrs. Lee Hand of Timberland Tract and San Francisco, whose lake house has been the mecca for many old friends this summer. Especially welcome was their son, Lt. L. W. Hand, who had a two weeks leave from Selfridge AFB in Michigan, where he is stationed. He is a jet pilot and had not been home to see his family for 18 months. Dr. Lee Hand enjoyed a two weeks vacation at Tahoe from San Francisco, and their daughter, Marilyn, who graduated from Stanford University in June, left in July with a friend for a stay in Honolulu.

So well did she like the islands that she is now employed with Matson Steamship Lines in their office over there. Other houseguests during the recent weeks included Mr. and Mrs. J. J. Barrett, Mr. and Mrs. R. Abrahamson and son, Dick, and Mr. and Mrs. William Thomas, all of the bay area. From Dubuque, Iowa, came Mrs. Inez Keane and daughter, Margery, and from Sutter Creek, Mrs. Charles Depauli and daughter, Marie. Dr. and Mrs. Hand closed up their lake home last weekend but hope to get up again for more weekends before snow flies.

Waldo Gross, expert fishing guide of Lake Forest, reports excellent luck at Bear Lake in the Tahoe back country a week or so ago. He and Dr. Leland and son, although lake water has been somewhat rough during the past week, Gross and Claud Trembley of Tahoe Park braved the rough waters on Thursday and brought back three nice mackinaw, the largest running seven pounds.

Mr. and Mrs. Lewis Marsten of Sunnyside entertained at dinner on Thursday evening Mr. and Mrs. Bud Scott and Mr. and Mrs. Jay Shontz of Tahoe City. The pleasant evening was disrupted around midnight when Marsten received a telephone call from San Francisco, informing him that the Marsten residence there had been burglarized for the second time in recent months.

This week the Marstens are entertaining as a houseguest Mrs. Maurice Grubb of Mexico.

Mr. and Mrs. Herman Rauh and children spent Saturday and Sunday at the home of her parents, Bishop and Mrs. Noel Porter near the Tavern. They plan to return for the Labor Day weekend.

Visitors at the home of Mr. and Mrs. Roy Stark at the Dollar Estate

**SMOLDERY EYED Dawlati Soliman, dancer purported to have been a favorite of exiled King Farouk of Egypt, strokes bandaged shoulder after a mystery gunman shot at her in climax of her Berlin, Germany, night club act.**

for the past week were their son and family, Mr. and Mrs. Rome Stark and daughter Rolaine of Long Beach. They left for home today.

In for a stay at their Timberland Tract home are Mr. and Mrs. M. A. Lopes of San Leandro, just back from an extended tour of Europe. Also had a friendly note from Mrs. Irene Seward, the former Irene Bell of Tahoe City. She writes that she and friend have opened a gift shop in the Oak Park district of Sacramento, where the Seward's recently purchased a new home. Both Mrs. Seward and her partner, Mrs. Aileen Coffin, are well known in the Tahoe area, the latter having once operated a

gift shop at Homewood.

Another former Tahoeite, Miss Janice Brodehl, 19, niece of Mr. and Mrs. Jay Shontz and the Robert Pomins of Tahoe City and a granddaughter of the D. M. Brodehls of Oakland, has won a bit of pleasant publicity by winning a beauty contest in her home town of Crescent City and today she was among contestants appearing in Governor's Hall at Sacramento to compete for the state title.

Mrs. Neal Marvin of Tahoe Park, who underwent a nasal operation in a Reno hospital several weeks ago, is up and around again although under orders to take life easy. She left her bed only last Friday. Her many friends are wishing her safe and speedy recovery.

Guests at the lakeshore summer home of the Bert Scotts in Tahoe Park have been their son and daughter-in-law, Mr. and Mrs. Kenneth Scott of San Francisco and their son, Kenneth Jr.

Out-of-town visitors at the James Baker home Sunday were Mr. and Mrs. William LeBaron and

Mr. and Mrs. L. Doyle of Modesto. Mr. and Mrs. Nello Baldocchi and daughters, Diana and Joanne, of Antioch have been enjoying the past two weeks vacationing at the family summer home in Timberland Tract. They plan to remain until after the Labor Day holidays after which Diana must return to start school. Nello is the son of the Joseph Baldocchi of Antioch.

Mr. and Mrs. Robert Walker and family of Sleepy Hollow, Orinda, have gone home following a month's vacation at the Droste home at Homewood.

Mrs. Earline Brumbaugh broke a finger of her left hand last Friday going through a swinging door at her Tahoe City restaurant, Skookum Chuck. She was treated at Tahoe Forest Hospital near Truckee and has the injured digit in a partial cast.

Wind this up for the week with the hope that the last big holiday weekend of the season will be safe and sane. And don't forget to attend services at the Outdoor Chapel Sunday, September 6, and

help Bishop Noel Porter raise a worthy sum to contribute to the new Tahoe City emergency ambulance fund. Adios all. As ever, Swanee

## TAHOE WEATHER

Weekend showers added .72 of an inch precipitation at Tahoe City, reports A. E. Frodenberg, official observer. Daily and low temperatures for last week were Aug. 24th: 67, 40; 25th: 66, 44; 26th: 65, 41; 27th: 66, 40; 28th: 62, 45; 29th: 56, 42; 30th: 56, 36; 31st: low 37. The level of the lake at 8 a.m. Monday was 6228.53 feet above sea level with three gates open, Frodenberg said.

Rose Harrigan, Plaintiff,

-vs- J. L. Hallaran, also known as J. L. Hallran, and ALSO All Persons Unknown, claiming any right, title estate, lien or interest in the real property described in the complaint adverse to plaintiff's ownership, or any cloud upon plaintiff's title thereto. Defendants.

## SUMMONS

The People of the State of California Send Greetings To: J. L. Hallaran, also known as J. L. Hallran, and ALSO All Persons Unknown, claiming any right, title, estate, lien or interest in the real property described in the complaint adverse to plaintiff's ownership, or any cloud upon plaintiff's title thereto, Defendants.

You and each of you are hereby directed to appear and answer the complaint in an action entitled as above, brought against you in the Superior Court of the State of California, in and for the County of Nevada, within ten days after the service on you of this summons, if served within this County, or within thirty days if served elsewhere.

And you are hereby notified that unless you appear and answer as above required, the said plaintiff will take judgment for any money or damages demanded in the complaint, as arising upon contract or will apply to the court for any other relief demanded in the complaint.

The object of this action is to make the above mentioned defendants set forth the nature of their claim or claims to the real property in the complaint and herein after described, if any they have, and that such claim or claims be adjudged to be of no effect and void, and the plaintiff's title to the same be quieted against them.

That said real property is all that certain lot, piece or parcel of land situate, lying and being in the County of Nevada, State of California, described as follows, to wit:

That certain lot situated in South Truckee, on the south side of River Avenue West, described as follows:

Commencing at the north east corner of the lot, from which a 1 1/2 inch pipe at the corner of River Avenue West and Bridge Street bears N. 26°29' E. 175.02 feet and the 1/4 section corner on the east side of Section 15, Township 17 North, Range 16 East, Mount Diablo Base and Meridian bears S. 39°12' E. 1693.33 feet. Thence:

1. S. 22°58' E. 143.00 feet to the southeast corner of the lot  
2. S. 64°04' W. 140.00 feet to the south west corner, identical with the SE corner of the Moretta Lot  
3. N. 22°58' W. 143.00 feet to an iron pipe on River Avenue West  
4. N. 64°04' E. 140.00 feet along River Avenue West to the place of beginning, and containing 0.46 of an acre, more or less.

GIVEN under my hand and the seal of the Superior Court of the State of California, in and for the said County of Nevada, this 17th day of June, 1953.

Truckee Community Methodist Church completed its two-week Daily Vacation Bible School Friday evening with 54 enrolled and 46 receiving certificates for attending over half the time. There were 16 juniors, 13 beginners and 17 from the primary classes. Mrs. Eugene Ridsen superintended the school with Mrs. Douglas Barrett, Mrs. J. L. Taylor, Mrs. Doyle McGinnis.

## 7C RANCH EUER VALLEY

(Continued from Page 3)  
Helen Broeker and Pat Brown of Folsom were up for a week to rest and relax.

Selma Lee, Emmett Reagan, Sebern Spitzer and Margaret Spitzer, all of Sacramento, were all in to visit the 7C, which was enjoyed so much because Reagan made his first trip to "the valley" in several years.

Peggy and Lloyd Yeates and sons, and Katherine and J. H. Lanphier Jr., all of Sacramento, were recent guests at 7C Ranch.

Mrs. Harry Barnes, Mrs. William Englehart Jr., Mrs. William Frey, Mrs. James Walker, Mrs. Foston Wilson, Mrs. Sidney Winston, Mrs. Lester Braasch and Mrs. Orval Vaughan assisting in the instruction.

Approximately \$80 was cleared from the sale of meal tickets at Brown's Cafe last Friday and Saturday for the benefit of the church building fund.

Dr. Dillon W. Throckmorton, district superintendent, will serve communion and conduct the first quarterly conference at 7:30 p.m. Sunday, September 6. A Labor Day sermon will be delivered Sunday morning at 9:30 by Rev. Sidney Winston with Church School at 10:40.

## Children Look To Parents For Moral Truth

By J. Edgar Hoover, Director,  
Federal Bureau of Investigation

**IF PARENTS ARE** to carry out their responsibilities as educators in the home, it is necessary to examine their own adult beliefs, actions, and activities.

Children are prone to imitate the activities of their elders. They are influenced by the attitudes, actions, and words which pervade the home.

It is disheartening to read case after case of juvenile delinquency which points directly to the home and the parents

charged with its responsibility. Broken homes, lack of religion, neglect, indifference, absenteeism, immorality, lack of discipline, infidelity, selfishness, greed, and a score of other factors are infectious conditions to which children have been exposed.

If we are attempting to find a solution or a cure, we must destroy the infection at its source.

**NO HOME CAN BE** sound unless it is built on a strong foundation of moral fortitude.

A world which worships at the shrine of materialism is well on the path to chaos. Corruption and decay will destroy a youngster's impressionable mind if the fundamental principles of morality are excluded from his daily life.

How can people respect law and order if they were never taught to respect the rights of others? The true belief in God and the teaching of Jesus affords parents an authority with the child which they otherwise would lack.

**MAN'S CONSCIENCE**, the inextinguishable voice of his inner being, and aptly styled the "voice of God", is the key to his knowledge of right and wrong; but conscience must be awakened in early childhood. The lack of proper moral training may hush that conscience to such a degree that man's ultimate end will be misery.

Recently, a young girl wrote in the editorial column of a daily newspaper, showing why there are juvenile delinquents: the dollar is the only god worshiped by adults; gangsters, criminals, drunkards, and gamblers are made heroes and heroines on the screen, in comic sheets, and books; sex crimes are publicized almost daily; religion and church attendance are ridiculed, homes are broken, and lawmakers, in some instances, lie and cheat.

If you eliminate the moral obligations from your life and the lives of your children, other obligations will fall by the wayside.

**ANY ADULT** who fails to impress the existence of God, as a Supreme Arbiter of good and evil, upon the hearts and minds of his children will one day answer for his wrongdoing.

† Paulist Feature Service, Washington 25, D. C.

## YOUNG VANDALS CAUSE DAMAGE TO NEW SEDAN

TAHOE CITY—George Smith of Sacramento arrived at Kings Beach Saturday to sign a complaint before Judge Harry Charrison charging two young visitors, aged nine and 11, with a misdemeanor and malicious mischief. Constable Harry Johanson, who was called to investigate the case last Thursday, said the boys confessed to him the following depredations:

They found the Smith car and several others parked along the Rubicon road near Miller Lake, where their drivers had left them to go fishing in the upper lakes. The youngsters robbed the car of Herb Dana of Homewood, taking a hand ax and shovel, and from another car nearby the appropriated a .22 rifle which they used to riddle the Smith car with bullets. They put seven bullet holes into the luggage compartment to shoot out the back window and shot the two front windows full of holes. They emptied the gas tank by riddling it with bullets, then shot out the head lights and put bullets through all four tires, so that Smith had to buy new tires and head lights before he could even have his new car hauled out of the back country. He then left the car at a garage here and rode home to Sacramento with a friend.

When the constable apprehended the pair, he discovered that the greater spoils of their raid were yet to be revealed. The boys confessed they had also robbed the car of Wilbur R. Johnson, Redwood City, by breaking a vent wing and opening the door. From this car they stole \$65 in cash, a valuable camera and light meter, and two sleeping bags.

All the loot was recovered when Johanson secured the confessions but the great damage to Smith's new sedan is still to be reckoned with. The warrant was served on Monday and the boys were turned over to the Placer County juvenile court at Auburn. (ejv)

## BREACH OF PEACE DRAWS \$50 FINE FOR TAHOE MAN

TAHOE CITY—In judicial district court here during the past week Judge Harry Charrison fined Solomon Kogan of Kings Beach \$50 when he pleaded guilty to a charge of disturbing the peace, filed by Dr. Charles S. Young of Kings Beach. Thirty dollars of the fine was suspended on the provision of future good behavior.

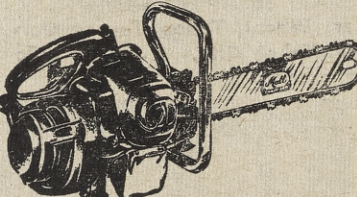

The trial of Mrs. Ruth Cochran, Kings Beach resort owner, and Roy Cooney, her employee, which had been set for September 2 was postponed to September 10 and 11 following a request for a jury trial. The defendants have pleaded not guilty to charges of serving liquor after hours and failure to destroy empty liquor bottles. Robert E. McDonald, state liquor control officer, signed the complaint.

At 10:30 a.m. September 10, Judge Charrison will hold preliminary hearing in the case of Joseph T. Hulbert, recently charged by the highway patrol with drunken driving, car theft, hit and run and driving without an operator's license. Hulbert is waiting in the Placer County jail, being unable to raise the \$5,000 bail set by Judge Charrison. (ejv)

A lot of warranted publicity is on the vine for the Sunday and Monday showing at the Donner Theater—"Island in the Sky"..... what with its being filmed hereabouts last winter.....and this week and our town seeing its first showing anywhere.....but I noted something last night in the preview of the Friday, Saturday feature....."Pony Express" that made me perk up and take note.....mentioned a "battle of Truckee River station".....don't let the fact that the old Pony Express missed us by 30 or 40 miles deter you.....its good for to be thus mentioned.....and it looks like a better than average western-type opus.....and I've seen enough to know.....See young Judy O'Neill helping Lou Stout out.....out at the Donner Florist and Gift Shop.....really has a touch with some of that fine chinaware.....Oscar Quam brought honors to the local Rotary Club.....at the Reno Rotary stag barbecue last Monday.....with his singing of "Night Time in Nevada".....upshot of his performance likely will be

an all-male vocal group here..... with several excellent "verces"..... A letter from Jay Rablin aboard the USS Princeton in the Far East.....he says he hopes to be home in another month.....and about three months later he'll answer only to "Mister" Rablin.....The meeting of the "old guard" of the local American Legion Tuesday night was pretty important.....the boys have begun a survey to see if most of the eligibles feel the post is an asset to Truckee.....if they find contrary, some of them are for forgetting the whole thing.....me, I remember a lot of the fine projects the post has sponsored over the years.....and hope that the current oldguards is a hull between.....not the last throes of a fine organization.....Dorothy and Bob Leamon celebrated their wedding date.....and her birthdate.....August 28.....combining business with the festivities.....attending a television exhibition in Reno.....their Gateway furniture emporium is local headquarters for Stewart-Warner TV.....Over from Reno Tuesday was Mary Marquis.....to visit her friends and one-time employers, Mary and Art Walters, at Sierra Tavern.....and her many other good friends here.....

**SELLING LIQUOR TO DRUNKS IS HIT BY PAUL LEAKE**

GRIDLEY— Enforcement of the law which makes it a misdemeanor to sell liquor to anyone who is obviously already intoxicated could be one effective means of solving California's alcoholic problem, suggested Paul R. Leake addressing the Gridley Rotary Club here today.

Leake, a Woodland editor and the third district's representative on the state board of equalization, referred to California as "the most alcoholized state in the union, excepting Nevada."

**Yale Says So**  
To drive home his point, Leake quoted the findings of Yale university's research department and California's state department of mental hygiene.

The Yale report, according to Leake, fixed the ratio of alcoholics in California per 100,000 adults in excess of 7,000. "This seems fantastic, but who are we to question good old Yale?" asked Leake.

The board official characterized the state department of mental hygiene's findings as "more conservative."

"The number of chronic alcoholics in California is placed at 75,000," said the board member.

"By chronic alcoholics the state report referred to drink victims who have seriously impaired their physical or mental health," he explained.

"The same department of hygiene told us that one of every 32 residents of California drinks to excess," Leake added.

**Records Disappoint**  
The board member expressed his disappointment over the records given to him by the board of equalization's statisticians.

"It is with shame and some reluctance that your representative on the board," he declared, "reports to you that in the entire year of 1952, and in all of California, the board's liquor control officers made only ten arrests of persons who sold liquor to customers who were already intoxicated."

Leake continued:

"In fairness, it must be said that our liquor enforcement staff is undermanned. If it is true that police officers can also stand a bit of prodding, that is not exactly a bona fide excuse for our board's liquor department's inadequate showing."

"If the board had only one liquor officer, he would not have to be a Sherlock Holmes nor a Dick Tracy and ride a jet motorcycle to exceed the department's record of ten arrests for sales to drunks in 12 months, in a state of 12,000,000 population."

**Drunk Driving Record**  
Leake told Gridley Rotarians that "our own state highway patrol records show that there were 9,501 persons arrested in California last year for drunken driving—an increase of nearly 100 per cent since 1943."

An additional 13,000 arrests in the state for drunken driving were made by municipal patrol officers, according to the speaker.

"The state patrolmen listed 719 fatal accidents and 23,047 injury accidents in 1951, in which drivers had been drinking," he added.

"The record of traffic fatalities and injuries tells a graphic, pathetic story of contempt for law," Leake concluded.

**OBSTRUCTION AT LAKE REMOVED**

The Placer County board of supervisors have authorized District Attorney Al Broyer to remove all obstructions from the county right of way on Bay Street at Carnelian Bay, Lake Tahoe.

The action was taken upon recommendation of the county planning commission. The obstructions were reported to be in the nature of lumber piles, barbecue pits and lawns, placed there by bay shore residents.
